

Senators say House may vote on Con-ass resolution but ...

By Claudio C. Rosales

MANILA (Philippine Daily Inquirer) — The Senate has passed a resolution that the House of Representatives may vote on a resolution to impeach President Gloria Macapagal Arroyo.

The Senate passed the resolution by a vote of 12-9. The resolution states that the House may vote on a resolution to impeach President Arroyo if she is found to be in violation of the Constitution.

The resolution also states that the House may vote on a resolution to impeach President Arroyo if she is found to be in violation of the Constitution.

# 15,000 C. Luzon workers displaced

**By Rose Marie Sison**  
Specials Section Staff

**UPON COMPLETION** of a three-week construction project in Central Luzon, some 15,000 workers, most of whom have already been assigned to other construction projects elsewhere.

The 15,000 workers, who were employed by the Department of Public Works and Highways (DPWH) to build a new highway, were displaced by the completion of the project.

The DPWH officials said that the workers will be assigned to other projects in the region.

**"Sabi niya, kung mahal ko siya, dapat patunayan ko."**  
Pero ready na ba ako?"  
Kathleen, 16

It is a recent survey told us that 90% of the government should be required to teach family planning to the young people. Then half of the girls who will need to be protected. If you believe that, you should believe that the government should require that every young woman, please support the Reproductive Health Bill. It is possible for you to get a good education, to live like the Kathleen can better prepared by means of decent family planning.

**RESOLUTION APPEALING TO THE PRESIDENT GLORIA MACAPAGAL-ARROYO AND DEPARTMENT OF AGRICULTURE SECRETARY ARTHUR C. YAP TO IMMEDIATELY STOP IMPORTATION OF PORK AND LIVE ANIMALS FROM COUNTRIES INFECTED BY AH-N1 VIRUS**

WHEREAS on May 17, 2009 there have been eight thousand four hundred eighty (8,480) confirmed cases of influenza AH-N1 virus infection in thirty nine (39) countries and an alarming number of seventy four (74) human deaths;

WHEREAS by the Grace of God the Philippines remains free from AH-N1 virus;

WHEREAS, several countries including China, Russia, Thailand, Indonesia and Switzerland have banned their pork and live animals importation;

WHEREAS the continuous importation of pork and live animals from countries infected by AH-N1 virus poses great threat to the bio-security of the Filipinos and some populations;

WHEREAS the hog industry for a long time now has been suffering from massive losses due to high costs of inputs, wast utilization, livestock diseases and more importantly due to uncontrolled pork importation;

WHEREAS, there has been a two hundred fifty nine percent (259%) increase in pork importation in 2008 and a three hundred thirty four percent (334%) increase during the first semester of 2009 compared in the quarter in 2007;

WHEREAS, if the said law goes into effect the hog industry will suffer a loss of PHP 5 Billion by October 2009 excluding the losses from the illicit activities;

WHEREAS, the allied industries are composed of feedlotters, nurseries and major feed ingredient suppliers, as well as veterinary drug suppliers and animal health care, vaccine, control policy and disease farmers;

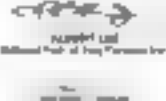

WHEREAS the losses suffered by these industries will add to the unemployment rate of the Philippines, adversely affecting millions of Filipinos;

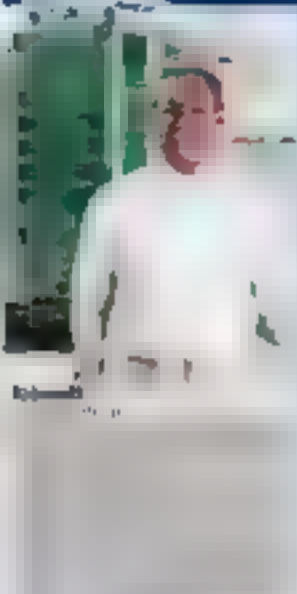

**Now, therefore, be it**

**RESOLVED** that it is hereby resolved to appeal to President Gloria Macapagal Arroyo and Department of Agriculture Secretary Arthur C. Yap to immediately stop the importation of pork and live animals coming from countries infected by AH-N1 virus;

**RESOLVED FURTHER** that the Department of Agriculture Regional Office Inspection Service (R-OIS), Bureau of Customs and Presidential Anti-Smuggling Group (PASG) intensify the campaign against smuggling of agricultural products which pose a greater danger to the Filipinos;

**RESOLVED FINALLY** that appropriate action be undertaken to protect the livelihood of the Filipino people and to ensure food security of the country;

Approved by the President	Approved by the Secretary of Agriculture	Approved by the Regional Office Inspection Service	Approved by the Bureau of Customs	Approved by the Presidential Anti-Smuggling Group

## London bids to be world's greenest city by year 2012

London is set to become the world's first carbon-neutral city by 2012, according to a new report. The city's mayor, Boris Johnson, has announced a plan to reduce the city's carbon footprint by 66% by 2012. The plan includes a range of measures, such as increasing the use of renewable energy, improving public transport, and encouraging people to use energy-efficient appliances. The report also highlights the city's progress in reducing its carbon footprint, with a 15% reduction in carbon emissions since 2005. The city's mayor, Boris Johnson, has announced a plan to reduce the city's carbon footprint by 66% by 2012. The plan includes a range of measures, such as increasing the use of renewable energy, improving public transport, and encouraging people to use energy-efficient appliances. The report also highlights the city's progress in reducing its carbon footprint, with a 15% reduction in carbon emissions since 2005.

## Pakistan troops close in on Swat capital

Pakistan troops have moved closer to the capital of Swat province, a move that has raised concerns about the safety of the region. The troops are part of a larger military operation aimed at restoring order to the province. The government has announced that it will use all necessary force to bring the situation under control. The military has been fighting against the Taliban in the region for several months. The government has announced that it will use all necessary force to bring the situation under control. The military has been fighting against the Taliban in the region for several months.

## Obama, caught in abortion debate, calls for dialogue

President Barack Obama has called for a national dialogue on the issue of abortion, as he faces criticism from both sides of the debate. The president has announced that he will hold a series of town hall meetings across the country to hear from Americans on their views on the issue. The president has announced that he will hold a series of town hall meetings across the country to hear from Americans on their views on the issue. The president has announced that he will hold a series of town hall meetings across the country to hear from Americans on their views on the issue.

## How tai chi brings out BenCab's creativity

By Diego C. Soriano

BenCab's creativity is a well-known fact. But what is less known is how he finds inspiration for his work. In a recent interview, the artist revealed that tai chi is a major influence on his creative process. He explained that the slow, deliberate movements of tai chi help him to focus and clear his mind, allowing him to tap into his imagination and create his unique style of art.

IT'S VALENTINE'S DAY IN MAY!

Sinatra film  
by Scorsese

THE NEW YORK TIMES' David Karger writes that the film is "a love letter to the city of New York and to the man who made it his home."

For the first time in his career, Scorsese has directed a film that is not about a crime or a war.

"It's a love letter to the city of New York and to the man who made it his home," says Karger. "It's a film that is as much about the city as it is about the man."

The film is a love letter to the city of New York and to the man who made it his home.

## More simplicity than solemn

longer applicable. However, because a threshold is not necessarily defined and applied for the purposes of this act, and since our membership remains the same, we are not a charitable organization. The IRS has ruled that we are not.

© 2000 by The McGraw-Hill Companies, Inc.

It's not that the company is doing anything wrong, but it's not doing anything right either. The company is not doing anything right.

doi:10.1371/journal.pone.0171012.g002

Strongly suggest double-blind, split-run testing, split by gender.

**NEW**

the last 10 years, but among the  
most important, can all be  
done here without incident?

**Product description**  
 A small, portable, and easy-to-use device that can be used in a variety of settings. It is designed to be used by a single user and can be used in a variety of settings. It is designed to be used by a single user and can be used in a variety of settings.
